

I've Builded On the Rock
(Happytime, Vol.1, #33)

I've builded on the Rock,
I've builded on the Rock,
And no more I stand,
On the sinking sand,

I've builded on the Rock,
I've builded on the Rock,
That standeth ev'ry shock -

Let the wind and rain assail,
I am safe in ev'ry gale,
I've builded on the Rock!
