

If I Sing

1. If I sing in the morning I will sing to you,-
Sing to you in the daytime and the nighttime, too.-
Let my song be a song of love my whole life thru,-
When I sing I will sing to you.

2. If I work in the morning I will work to you,-
Work with you in the daytime and the nighttime, too.-
Let my work be a work of love my whole life thru,-
When I will work with you.

3. If I pray in the morning I will pray to you,-
Pray to you in the daytime and the nighttime, too.-
Let my prayer be a prayer of love my whole life thru,-
When I pray I will pray to you.
