

Ten Lepers Cleansed

(Tune: Hymns, #1145, God is Good for Food)

1. The Lord ten lepers did make well,
then sent them out the priests to tell,
About this wondrous miracle that God had done for them.
Yes, God had done for them. Yes, God had done for them,
Oh, this was truly a miracle that God had done for them.

2. But only one leper returned,
when he saw how his skin
had turned so clean, so pure, so fresh, so new,
he bowed and said, "Thank you."

Yes, he said, "Thank you, Lord." Yes he said, "Thank you, Lord."
Oh he had truly been made clean. So he vowed and said, "Thank you."

3. The Lord then asked him right away,
"Were not ten lepers healed today?
But you alone praise me in this way.
Your faith had made you well.

He came back to give God his praise. His faith made him well.
